

Features & Benefits:

- Designed in Australia for Australian hardwoods
- Self-feeding screw point for easy drilling in soft or hardwood
- Fast and effortless boring can cut through nails without damaging the bit
- Full length heat treatment to protect against bending
- Stemless design which quickly clears debris from the auger bit for a smoother, quicker cut
- 5/16" or 7/16" Quick Release Shank Suitable for use with professional impact tools

Suitable Applications

- Hardwoods
- Softwoods

Part No	Code	Description	Shank Size
AASAU20510	810230	10mm Quick Release Auger	5/16"
AASAU20512	810231	12mm Quick Release Auger	5/16"
AASAU20513	810232	13mm Quick Release Auger	5/16"
AASAU20514	810233	14mm Quick Release Auger	7/16"
AASAU20516	810234	16mm Quick Release Auger	7/16"
AASAU20518	810235	18mm Quick Release Auger	7/16"
AASAU20519	810236	19mm Quick Release Auger	7/16"
AASAU20520	810237	20mm Quick Release Auger	7/16"
AASAU20522	810238	22mm Quick Release Auger	7/16"
AASAU20525	810239	25mm Quick Release Auger	7/16"
AASAU20529	810240	29mm Quick Release Auger	7/16"
AASAU20532	810241	32mm Quick Release Auger	7/16"
AASAU20535	810242	35mm Quick Release Auger	7/16"

Features & Benefits:

- Designed in Australia for Australian hardwoods
- Self-feeding screw point for easy drilling in soft or hardwood
- Fast and effortless boring can cut through nails without damaging the bit
- Full length heat treatment to protect against bending
- Stemless design which quickly clears debris from the auger bit for a smoother, quicker cut
- 5/16" or 7/16" Quick Release Shank Suitable for use with professional impact tools

Suitable Applications

- Hardwoods
- Softwoods
