 **WHITE**<sup>®</sup>  
INTERNATIONAL

## FULFILL ALL 3 OF YOUR WISHES

**GENIX** is the new DAB macerator, designed to provide the maximum level of efficiency in the 3 main moments of its lifecycle:

- **Quick and Easy Installation**
- **Comfort in Use with Low Noise**
- **Clean and Simplified Maintenance**

This makes **GENIX** the new benchmark in the setup of a bathroom... where you never thought it was possible.

## EVERYTHING YOU NEED IS INCLUDED!

**GENIX** is provided with everything you need for a quick and easy installation. Fittings with integrated non-return valves, hose clamps, hose adaptors, ground-fixing screws, anti-vibration rubber nubs, and an illustrated quick guide.

Visit the website [whiteint.com.au](http://whiteint.com.au) to find out more information on the Genix range.

**WaterMark**

Certificate number: WM-022990  
Technical specification: WMTS-106

## WHEREVER YOU DESIRE

**GENIX**

**GENIX WL**

**GENIX VT**

GENIX is indispensable when the wastewater coming from toilets, showers, dishwashers or sinks cannot be expelled by gravity. DAB lifting stations can be installed wherever there is the wish to add a toilet or expel greywater during new installations, renovations or new constructions.
